

MJRC Chronicles

Right:

Day Services program rooms at Alternatives DH/MJRC worked quickly to fill 1,000 Easter Eggs with candy for the Spring Event at the Safety Village for children from the community.

Below:

MJRC Staff and artists assisted in making the Art Life Conference available to Art Teachers, Art Therapists, Art Students, Activity Leaders, and DSP's. They helped with all aspects of the conference from making the center pieces, decorating folders, running errands, helping to set up, clean up, running the creations store, and the bell choir entertained during lunch. The attendees all rated the conference as the best one yet! Robin Kestler, Activity Leader in MJR's Future Strivers ran a workshop to teach how to create "Hypertufa" pots. Those that attended her workshop enjoyed getting their hands dirty and left excited to see how their pots turned out. Kristen McNitt "I could not have done it without you MJRC. Thank you for giving it your all. Months of preparation and so much help the day before setting up and the day of the conference. Wow! I'm just amazed by your generosity and enthusiasm help."

"A true friend knows your weaknesses but shows you your strengths; feels your fears but fortifies your faith; sees your anxieties but frees your spirit; recognizes your disabilities but emphasizes your possibilities - William Arthur Ward"

Right: Future Strivers Pickers Club has been working diligently to paint and restore furniture. The furniture was recently advertised for sale at Grow Jamestown.
