

Our Clinical Team Aide Volunteer would be responsible for transporting individuals to and from their therapy appointments within the MJRC building. The volunteer would need to be mindful of clinician schedules and be prompt with getting individuals to their appointment time. Schedules are prepared for the volunteer to assist them with locating each patient that needs assistance to the clinic.

The Clinical Team Aide Volunteer is provided with the opportunity to assist the departments of the clinical team (Occupational Therapy, Physical Therapy, and Speech Therapy) in the smooth day-to-day operations of their departments.

Skills Desired: Must be friendly and be able to direct patients

Days/Hours Needed: Monday – Friday from 9am – 2pm

Location: Jones & Gifford Ave., Jamestown, NY
