

# To Make a Difference

TRC Environmental Services is a social enterprise. Our goal is to have a sustainable business that employs individuals in our community with disabilities.

## 1 40 Years in Business

Since 1975, TRC Environmental Services has been providing excellent service to regional businesses.

## 2 Our Expertise

Our leadership and staff have over 40 years of combined experience in the environmental services industry.

## 3 Full Service

TRC Environmental Services provides a full range and cleaning and janitorial services. No job is too big or small.

 **THE RESOURCE CENTER**  
*Making a Difference in People's Lives®*

## Our Purpose

TRC Environmental Services is committed to providing complete janitorial services to the community at affordable prices with quality and service in mind. We also provide full cleaning and disinfecting services with the **Clorox® Total 360® System** to battle COVID-19 outbreaks at your business.

Second, we support The Resource Center's mission of striving to provide employment opportunities to adults with disabilities which enable them to achieve maximum independence and experience lifelong growth.

## About Allied Industries

Allied Industries is the business unit of The Resource Center, with over 400 skilled, enthusiastic workers who are willing and able to extend their services to the community.

Currently, our supervised custodial crews maintain over 250,000 square feet of office, manufacturing, cafeteria, recreational, and health clinic space in 14 Resource Center facilities. In addition we maintain cleaning contracts with more than 20 businesses in Chautauqua and Cattaraugus Counties.

We are also proud to offer the **Clorox® Total 360® System** to assist your business with disinfecting after a COVID-19 outbreak.
